Prevent. Promote. Protect.
MORGAN COUNTY HEALTH DEPT.

SPRING FAMILY FEST

April is National Child Abuse Prevention Month! This month and throughout the year, MCHD encourages all individuals and organizations to play a role in making Morgan County a better place for children and families. By ensuring that parents have the knowledge, skills, and resources they need to care for their children, we can help promote the social and emotional well-being of children and prevent child abuse within families and communities.

Morgan County Job and Family Services has organized an event on April 29th from 1pm – 4pm, called Spring Family Fest. Morgan County organizations, including MCHD, will be coming together to provide a day of fun for families. The event will be located at the Riecker Building, at 155 E Main St., McConnelsville. The event is FREE for everyone of all ages! There will be lots of games, raffles and giveaways as well as KONA Ice, hot dogs, popcorn and cotton candy. There will even be a petting zoo! Morgan County organizations will be present to talk to you about available resources and learning opportunities for your family. If you are wanting to learn more about how to keep your family safe and well, you don't want to miss this event.

Whether you have one child or several, every family can get something out of this event. The Spring Family Fest is a great opportunity for you to find out about the resources Morgan County has to offer to help you have a safe and healthy family. MCHD believes that the greatest wealth of a community is the health of the people.
