Village of McConnelsville Grease Interceptor Inspection Checklist

All grease interceptors shall be inspected annually by a Plumber licensed in the State of Ohio and registered with the Morgan County Health Department. The grease interceptor shall be cleaned prior to the inspection by an independent contractor qualified in cleaning grease interceptors. **The grease interceptor inspection shall occur within 24 hours of cleaning by the independent contractor.** The inspector must return this form to the Health Department along with verification from the independent cleaning contractor that the interceptor was cleaned within five (5) days of completion of the inspection.

Date of Inspection: _____
Facility Name: _____
Facility Address: _____
Facility Phone Number: _____

Please answer the following questions:
